The Workforce Innovation and Opportunity Act (WIOA) offers various types of services for Adults and Dislocated Workers, including: Basic Career Services, Individualized Career Services, and Training Services.

WorkSource SWGA (covers 14 counties = Baker, Calhoun, Colquitt, Decatur, Dougherty, Early, Grady, Lee, Miller, Mitchell, Seminole, Terrell, Thomas, Worth) was awarded a National Dislocated Worker Grant in May to assist those effected by the COVID-19 virus or long term unemployed. Although the Career Centers are currently closed to the public our WorkSource Staff are working remotely with existing and potential participants.

If you would like to refer someone to the program, please contact David Rutler, Project Manager email: david.rutler@equusworks.com
